

Competence in Ship Outfitting

Complete Solutions with a System

Textilien GmbH

Corporate Wear • Textile Finishing • Distribution

Three components from one source: professional full-service by IP Textiles.

From the first idea to the finished collection – IP takes care of textiles from the beginning to the carefully coordinated implementation of your individual ship outfitting. We have developed three performance components that guarantee an optimal process: the clothing concept; the logistics concept as well as our service concept. All in all, this means to you and your staff: a distinctive appearance on board thanks to customized tailored corporate wear.

The clothing concept - exclusive, individual, including a free sample collection!

Non-binding consultation is at the beginning of customized corporate wear, because we are ready to meet your requirements and complement them with a comprehensive expertise in the field of ship outfitting. And the best thing is: The first steps to the finished sample collection are free for you!

- **Free consultation by appointment at your location**
- **Free quotation**
- **Free design (sketches, fabric samples, etc.)**
- **Free sample presentation by appointment at your location***
- **Have your individual sample collection created for free***

* These steps will be free of charge only if an order is placed.
Otherwise, we will have to charge these items with 100% extra charge.

The logistics concept - reliable, transparent, with delivery directly on board!

As a professional partner for ship outfitting we would like to give you maximum certainty even beyond the clothes concept – and therefore we will be pleased to take care of all logistical matters in a way that everything will be on board on schedule at any time.

- **Storage and repair of the clothing stock**
- **On time and personal delivery directly to your ships.**
- **Delivery within 24/48 hours in Germany, 365 days a year. Shipping abroad by arrangement.**
- **Online login area for unlimited transparency on stock lists and all items previously delivered to you.**
- **Locations in your area for fittings, alterations or other services that we gladly perform by appointment directly on your ships.**

The service concept - detailed, comprehensive, exactly as required!

What else can we do for you? Our comprehensive service entirely complies with your requirements.

- **Determination of clothes sizes**
- **Textile finishing by printing and embroidery**
- **Personal packing and delivery**
- **Cleaning with pickup and delivery service**
- **Inventory monitoring, quality assurance and cost control**

With our three performance components, we are well prepared for your ship outfitting and for all processes that custom corporate wear requires in practice, whether on land or on board.

Our strategy: your uniqueness on board – thanks to customized ships outfitting.

As a service partner, IP textiles would like to open up a new horizon in the field of corporate wear – and anchor your uniform and unique appearance firmly in your daily work on board.

Thanks to many years of experience, we can offer you innovative clothing concepts in the field of shipping, especially tailored to your business.
